From Laura Tobias to Everyone 10:16 AM

I would like to be on a sub-committee

From Amy Warren to Everyone 10:16 AM

I would love to be involved!

I would definitely like to be involved as well!

From Lisa Hindman Holbert to Everyone 10:18 AM

If anyone has any salary data for yourself or your agency, you could send it to me. I'm working on salary equity with my agency and would love to measure this alongside wage campaigns. lisah@cbridges.org

From Amy Warren to Everyone 10:18 AM

Any reports on how the 5-12 children are responding to the first round? Do they typically react like adults as far as symptoms?

From Nora Caruso (she/her) to Everyone 10:19 AM

Lisa, tell us specifically what you'd like for us to share with you.

From Michelle Hernandez to Everyone 10:20 AM

sometimes when 2 devices are too close together they make that sound

From Lisa Hindman Holbert to Everyone 10:23 AM

Job descriptions, salaries, fringe benefits etc. lisah@cbridges.org

From Nora Caruso (she/her) to Everyone 10:25 AM

Big shout out to Faris and the COE for making our testing so easily accessible and efficient. I've got family members visiting from out of town and their experience trying to get tested is awful in comparison!

From Faris Sabbah (He/Him) to Everyone 10:26 AM

From Lisa Hindman Holbert to Everyone 10:32 AM

all

We did also receive a few policies from some of you, so if anyone wants to send the to either me or Diane, that would be great.

That's excellent to address equity issues

From amy fair to Everyone 10:33 AM

Of those in schools that are coming down with COVID, are they in the younger grades, k-5 or more middle school, high school? Also, if they're the older ages, are they vaccinated or not?

From Lisa Hindman Holbert to Everyone 10:33 AM

I definitely feel you. In a similar boat.

From Maria Castro to Everyone 10:34 AM

Let's contact larger agencies that contract with family child care providers to see if there is lobbying currently happening re topic of ratios in FCCH

From Anne Striffler to Everyone 10:34 AM

Maybe we need a committee of family child care home owners/operators to meet with John Laird?

From BRADLEY to Everyone 10:35 AM

well put Amy

From Lisa Hindman Holbert to Everyone 10:36 AM

That's another equity issue. There are families lined up with a lot of money to pay for infant/toddler care and there is little/no capacity.

From Anne Striffler to Everyone 10:40 AM

I've read that "mixed delivery" funding is what is being considered. Not everyone will choose a public school setting for preschool care for families often requires much longer hours

From Lisa Hindman Holbert to Everyone 10:41 AM

I gotta go, AND I'm so grateful for this community and I, like many of you, have invested my life in Early Education and I hope we can network and support each other through this.

From Amy Warren to Everyone 10:42 AM

Thanks Lisa!

From Stephanie Simmons Coastal Community Preschool to Everyone 10:44 AM

How are the elementary schools going to house these children?

From Amy Warren to Everyone 10:46 AM

This is really going to put many licensed facilities out of business.

From Lawrence Drury to Everyone 10:48 AM

Amy, I think that is a big concern for not only our county but many others.!!

From Nora Caruso (she/her) to Everyone 10:50 AM

Would be nice to see some of those Measure A funds going to local family child care providers.

From Amy Warren to Everyone 10:53 AM

Thanks everyone! :)
