

Child Care Briefing Mtg. 2.22.21

From Lisa Hirahara- Cabrillo College Children's Center to Everyone: 10:00 AM

Good morning! I'm in a dual zoom meeting but listening to you all! :D

From Nancy Cohen to Everyone: 10:00 AM

Boundaries are important !

From Erendira Guerrero to Everyone: 10:02 AM

Good Morning, Buenos Dias!

From Me to Everyone: 10:05 AM

Good morning everyone!!! Good to see you :-)

From Amanda Jarosz to Everyone: 10:06 AM

Good morning! Thank you so much for the vaccinations! How do we reschedule our second shots if needed?

From Nancy Cohen to Everyone: 10:07 AM

I got mine, but I know of a couple of child care workers who don't want to take the vaccine...is there any talk of trying to make this a mandate?

From Tricia Pastor to Everyone: 10:09 AM

Thank you so much for your advocacy and support to ensure our early learning and care community are prioritized! You have been exceptional Faris, Sita & Diane!!

From Lisa Hirahara- Cabrillo College Children's Center to Everyone: 10:09 AM

We are so grateful that the majority of our staff have been vaccinated! We have two teachers that still haven't received a call for the vaccine.

From Kathryn Berens to Everyone: 10:10 AM

you are impressive 1 thank you

From Crissy Roubal to Everyone: 10:10 AM

One of my staff just filled the vaccine form out last week but hasn't heard back yet. Does she need to do anything else or will it just take some time? She just decided to get it. thx Holy Cross Preschool.

From Nora Caruso to Everyone: 10:11 AM

Any issues with delays of the vaccine here due to weather?

From Melanie Sluggett to Everyone: 10:11 AM

Thank you Faris...you have done an amazing job coordinating and advocating for us!!YAY!

From Nora Caruso to Everyone: 10:12 AM

What can I, as a white middle class person, do to advocate for those marginalized communities that have not had equal access?

From Lori Bare to Everyone: 10:12 AM

As a white middle class childcare provider with insurance and computer I'm sharing we are also NOT getting vaccinated

From Crissy Roubal to Everyone: 10:12 AM

Yes Thank you Faris!

From Jill Susskind (she/her/hers) to Everyone: 10:12 AM

I can help with transportation if needed (I live in Santa Cruz and would be masked with windows open).
jillo@cruzio.com

From Yvonne to Everyone: 10:14 AM

Do we have any dates for elementary school re-opening? Or a range of dates 🌟

From Usuario de Zoom to Everyone: 10:16 AM

hay traducción en español Sita

From Lisa Hindman Holbert to Everyone: 10:17 AM

Marque interpretation in Spanish

From Brenda Ruiz to Everyone: 10:18 AM

@usuario de zoom - Sí oprima el globo y haga click en Espanol.

From Melanie Sluggett to Everyone: 10:18 AM

Are the symptoms related more to one of the two vaccines (Pfizer vs. Moderna?)

From Lisa Hindman Holbert to Everyone: 10:18 AM

walgreens

From Nancy Cohen to Everyone: 10:18 AM

My daughter felt tired, crummy the day after her second shot...no fever..and she was fine the next day..should she have been tested...Her mild symptoms only lasted 24 hrs...

From Irene Bonilla to Everyone: 10:19 AM

If someone who has been vaccinated with both doses, is it true that this person will not need to be quarantined? Is the County following CDC guidelines in this? The CDC is saying such people will not need to quarantine after traveling.

From Jamie to Everyone: 10:20 AM

Very thankful for that - we were afraid everyone would be called at once. Not enough subs.

From pam cayton to Me: (Privately) 10:20 AM

Hi Diane...someone from our preschool is waiting in the waiting room...can you please let her in...Thanks!

From Amanda Jarosz to Everyone: 10:21 AM

Exactly, we will have to shut down the school unless we can reschedule the second shot...no subs available

From Maria Fatima Castro to Everyone: 10:22 AM

Any talk of Summer School to supplement this school year?

From Nora Caruso to Everyone: 10:22 AM

Would a surge halt or delay reopening?

From Melanie Sluggett to Everyone: 10:23 AM

Also middle school follow the 7.7 case rate

From Leslie T- CACFP to Everyone: 10:24 AM

So there is a list for Child care providers in Santa Cruz County that completed the survey to receive a vaccine through Dignity Health, is that correct?

From Jamie to Everyone: 10:25 AM

With continued completed vaccines, we can hope.

From Kathryn Berens to Everyone: 10:25 AM

My staff is having difficulties as most want the vaccine and some do not. It is causing disconnection and strife. Those who do want those who do not be able to get it. I am conflicted, should we mandate? Can you speak to this division?

From Nora Caruso to Everyone: 10:25 AM

Highly recommend that youtube with UCSF Dr. Noble

From kimberleysaxton to Everyone: 10:26 AM

ANY discussion from the state level about class sizes? Are we going to be staying with the very small class sizes?

From Amy Warren to Everyone: 10:26 AM

Will kiddos need to wear masks and shields when they return to the hybrid model?

From Jamie to Everyone: 10:26 AM

OH, that's why. Thank you.

From Maria Fatima Castro to Me: (Privately) 10:28 AM

If I can get good info for those who are skeptical I can mail to our providers who are hesitating...

From Erendira Guerrero to Me: (Privately) 10:29 AM

Hi Diane- can you send me a link to the next South County group meeting again, I want to attend.

From LWilliams to Everyone: 10:30 AM

Summer school you can hold outside as well, since the weather is warmer.

From Jamie to Everyone: 10:30 AM

Are mobile units available - like mobile medics? Sign up. Let the people who sign up Have a return date. Return to the same area in two weeks after sign ups..it's a lot to coordinate. ID's might be required.

From Nora Caruso to Everyone: 10:31 AM

Any plans to hold classes outdoors?

From Faris Sabbah (He/Him) to Everyone: 10:31 AM

https://sccoe.link/childcare_prereg

From Erendira Guerrero to Everyone: 10:32 AM

Mobile Units is such a great idea !

From Leslie T- CACFP to Everyone: 10:32 AM

Thank you, Lisa. We received an email from Slta for Santa Cruz County providers to receive a vaccine through Dignity Health and instructed to complete a survey, but we want to help with next steps

From Hilda to Everyone: 10:32 AM

Are parents required to send the children back to school or can they choose to keep on doing distance learning?

From Jamie to Me: (Privately) 10:33 AM

Sorry about that.

From Leslie T- CACFP to Everyone: 10:34 AM

Is that link to receive a vaccine through Dignity, or is this a different option?

From Elvira Ruiz to Everyone: 10:35 AM

si textos es bien mucho más gente no usa la tecnología como correos electrónicos gracias por la información

From Lori Bare to Everyone: 10:35 AM

Yes thank you Nora for saying so

From Jamie to Everyone: 10:35 AM

I received an appointment the same day as the first vaccine.

From Faris Sabbah (He/Him) to Everyone: 10:37 AM

If you have not Vaccinated:

https://sccoe.link/childcare_prereg

From Lori Bare to Everyone: 10:37 AM

Here too, but as an owner I took the stance my body my choice

From Lisa Hindman Holbert to Everyone: 10:37 AM

Does that form/link that you sent include a cell phone number? I don't see it.

From Lori Bare to Everyone: 10:37 AM

Can't force it imo

From Nora Caruso to Everyone: 10:37 AM

Let your staff know that her immunity will be reached within your staff if more than 70% are vaccinated

From Elvira Ruiz to Everyone: 10:38 AM

yo tengo la cit para mañana para la segunda mi asistente no tiene ninguna puede ir mañana conmigo

From Lori Bare to Everyone: 10:38 AM

As an owner in regards to liability I feel like everyone can make this choice for themselves and ultimately they are putting themselves at risk and that's just life, and lmo the only stance we can taek
Take

From adina to Everyone: 10:38 AM

If you require someone to vaccinate and they have issues are you responsible, financially?

From Maria Fatima Castro to Me: (Privately) 10:39 AM

Where can I get info re affects re fertility?

From Lisa Hirahara- Cabrillo College Children's Center to Everyone: 10:39 AM

I'm sorry if I missed this part...for a teacher that has already completed the Google forms sent by SCCOE and they have not been contacted to receive their vaccine, they want to know what their chances are of receiving the vaccine if they just show up at Dominican. What are the chances of them receiving the email next week?

From Brenda Ruiz to Everyone: 10:40 AM

@Elvira Ruiz - Por Favor dígale a su asistente que espere hasta que nos comuniquemos con ella. Gracias por su paciencia.

From Lisa Hindman Holbert to Everyone: 10:40 AM

It's their choice at this time. It potentially could be a labor dispute and it shouldn't really be talked about at all. Their medical care is protected under HIPAA.

From Kathryn Berens to Everyone: 10:41 AM

good point Lisa that is what I think too

From Kristen Barkman to Everyone: 10:41 AM

If we have already had the first vaccine, did you say we still need to fill out the form you just put in the chat and just mark we have been vaccinated? Thank you
Thank you!

From Faris Sabbah (He/Him) to Everyone: 10:42 AM

(831) 466-5900

From Brenda Ruiz to Everyone: 10:42 AM

https://sccoe.link/childcare_prereg

From LaVeta Lipscomb to Everyone: 10:43 AM

any update on group size increasing?

From Brenda Ruiz to Everyone: 10:43 AM

@Elvira Ruiz

https://sccoe.link/childcare_prereg

From Kristen Barkman to Everyone: 10:44 AM

So yes, fill it out correctly?

From Yvonne to Everyone: 10:45 AM

I received an email on Thursday evening of vaccination availability on Friday..is this going to be standard notification? I couldn't possibly schedule a sub that quickly and missed first dose

From Amy Warren to Everyone: 10:45 AM

Will the distance learning option continue into next year?

From Maria Fatima Castro to Me: (Privately) 10:45 AM

Any information on the impact on fertility? Some women don't want the vaccine because they want to have more children.

From Irene Bonilla to Everyone: 10:45 AM

If someone who has been vaccinated with both doses, is it true that this person will not need to be quarantined? Is the County following CDC guidelines in this? The CDC is saying such people will not need to quarantine after traveling.

From Donna Cherie to Everyone: 10:46 AM

What is the classroom enrollment size for k-12?

From Lisa Hindman Holbert to Everyone: 10:46 AM

For children with speech and language delays, the masks are so difficult to wear and get really wet, so have lots of masks on hand.

From Kathryn Berens to Everyone: 10:47 AM

Any timeline for increasing class/cohort size for preschools?

From Lisa Hindman Holbert to Everyone: 10:48 AM

What are the days/hours currently at dignity? All vaccines happening at Harbor High School?

From Irene Bonilla to Everyone: 10:49 AM

thank you for your answer

From Donna Cherie to Everyone: 10:51 AM

Back to elementary #'s, Doesn't it follow that our center can figure out our footage and calculate our enrollment numbers from there?

From Nora Caruso to Everyone: 10:52 AM

Harbor High is Wednesday through Sunday generally

From Lisa Hirahara- Cabrillo College Children's Center to Everyone: 10:52 AM

Is Dominican contacting those who are due for their second vaccination if they're not able to administer?

From Donna Cherie to Everyone: 10:52 AM

Back to the elementary #'s above^^^^^^^

From Amanda Jarosz to Everyone: 10:52 AM

Exactly!

From Lori Bare to Everyone: 10:53 AM

Thank you diane!

From kimberleysaxton to Everyone: 10:53 AM

The state has NOT changed the childcare #'s for the classes

From LWilliams to Everyone: 10:53 AM

Thank you Faris for your leadership and sensitivity to the community's needs.!

From Nora Caruso to Everyone: 10:54 AM

With all due respect, the younger the child the less likely they sit still at desks

From Amanda Jarosz to Everyone: 10:54 AM

Is there a contact person at Dominican two confirm appointments?

From Irene Aguirre to Everyone: 10:54 AM

Thank you Farris, Diane and sita.

From Nancy Cohen to Everyone: 10:54 AM

Yes!

From Lisa Hindman Holbert to Everyone: 10:55 AM

The letter would go to Dr. Newell too.

From Stephanie Simmons Coastal Community Preschool to Everyone: 10:56 AM

Doesn't the cohort number come for Gov. Newsom?

From Lisa Hindman Holbert to Everyone: 10:57 AM

Yes, it's different for early care, State level advocacy
That's right.

From Jamie to Everyone: 10:57 AM

I think we were going to write as constituents to our State regarding re-opening. Is it going to go out - I was hoping to keep that subject active.

From Lisa Hindman Holbert to Everyone: 10:57 AM

yes

From Amanda Jarosz to Everyone: 10:58 AM

Thank you Faris for advocating for us and getting as many of us vaccinated as possible!

From Lisa Hindman Holbert to Everyone: 10:59 AM

Me too

From Maria Fatima Castro to Me: (Privately) 10:59 AM

Obscure question: impact of vaccine on fertility.

From Lisa Hirahara- Cabrillo College Children's Center to Everyone: 11:00 AM

Thank you everyone!
