From Nancy Cohen to Everyone: 10:14 AM

I had a parent ask if the younger sibling of a child who is already enrolled, could join our pod if that puts us over the capacity of 14? Reasoning being that the sibling is already part of the pod by proxy...

From Nora Caruso - Santa Cruz Toddler Care Center to Everyone: 10:15 AM

I'm happy to help with getting out the word to providers but don't speak spanish. Let me know if there's anything I can do.

From Kymberly Burkett #3/1 to Everyone: 10:15 AM

Where can we go to sign up for Vacation, Now?

From LaVeta Lipscomb to Everyone: 10:16 AM

In regards to Nancy's question, it would be helpful if our numbers are not going to be increased to at least let us count households as 1 spot instead of individuals. We were asked to keep siblings together as much as possible but then had to still count them individually

From Sita Moon to Everyone: 10:16 AM

Here is our survey: Please have them all complete the new bilingual form https://sccoe.link/childcare_prereg

From LWilliams to Everyone: 10:25 AM

I was on the list and received a call from Kaiser last Thursday for an appointment. It was pretty easy, I think the key is if they have a name and contact number. Is COE sending them a list of people who still need the vaccine?

Se nesesito ser pacientes de hay

From lesliet to Everyone: 10:32 AM

Thanks for sharing, Lisa. I want to add that while the hotline is prioritizing 65 and over, anyone 16-64 would be marked as essential workers and once we help the 65 and over population, the second in line is essential workers, so unfortunately you may not get a call back immediately, but it is another avenue to get an appointment to get vaccinated
