

## **COE Child Care Briefing Meeting 4.18.2022**

good morning

From Karyn Schmidt NBCC to Everyone 10:01 AM

Good Morning!

From Christine's iPhone to Everyone 10:01 AM

Good morning Happy Easter

From Megan Loero Jacobs to Everyone 10:02 AM

Good Morning Everyone!

From Angelina Gomez to Everyone 10:02 AM

good morning

From Mercedes Hernandez to Everyone 10:02 AM

Good morning

From Laura Tobias to Me (Direct Message) 10:04 AM

I forwarded you the email with the flyer.

There is one more date to attend. Would you please put in the chat box?

From Sita Moon, CDRC Santa Cruz to Everyone 10:06 AM

Faris is not able to attend this morning. He sends his apologies.

From Caitlin Clancy to Everyone 10:15 AM

Has anyone been having exposures at their schools since Spring Break?

From Laura Tobias to Everyone 10:15 AM

I was nice to see the data

From Nancy Cohen to Everyone 10:19 AM

I agree ...most info seems to be about Family Childcare homes, not centers... which have very different issues.

But still interesting ...

Thanks for trying!

From Karyn Schmidt NBCC to Everyone 10:20 AM

If someone tested positive on Spring Break and has not gone to school since, do we still report this. And to who?

From Nora Caruso (she/her) to Everyone 10:20 AM

I had four kids and one staff out last week symptomatic but all testing negative

From Jessica Steurer to Everyone 10:21 AM

We have two teachers out for COVID!

From Quail Hollow Montessori to Everyone 10:22 AM

We are missing teachers but not COVID yet. Just staffing/hiring issues.

From Melanie Sluggett/Director of CSPP/CCTR.ASES in LOSD to Everyone 10:24 AM

yes Karen still report it to licensing, unusual incident report.

From Nora Caruso (she/her) to Everyone 10:24 AM

Try live oak family resource center

From Melanie Sluggett/Director of CSPP/CCTR.ASES in LOSD to Everyone 10:25 AM

no exposures at our elementary schools

From Debbie Banuelos to Everyone 10:26 AM

dbanuelos@wafwc.org

From Nora Caruso (she/her) to Everyone 10:26 AM

[https://docs.google.com/document/d/1pPbAxi3bYXrIM\\_XBqkZ5Ez0jBsfP-bV72L2MBipB70U/edit?usp=sharing](https://docs.google.com/document/d/1pPbAxi3bYXrIM_XBqkZ5Ez0jBsfP-bV72L2MBipB70U/edit?usp=sharing)

We're still zero tolerance for all symptoms

From Lisa Hirahara-Cabrillo College to Everyone 10:27 AM

Debbie, we still have our health and wellness policy in place as well as our COVID policy I can share with you

From Laura Tobias to Everyone 10:28 AM

We are zero tolerance for students and staff. If someone has symptoms a negative COVID test is required to return to the classroom. Either a PCR or a rapid test, given by me, the director, in the play yard at drop off when they return to school.

From Quail Hollow Montessori to Everyone 10:29 AM

We send home "new" symptoms. Some symptoms last a long time even just for a cold. So if they have been out at least 3 days, or have a note from a doctor, have improved symptoms and a negative COVID test, they can return.

From Christine's iPhone to Everyone 10:29 AM

Yes! Parents need to work and it's hard and we tell them they can't be at school.

From Melanie Sluggett/Director of CSPP/CCTR.ASES in LOSD to Everyone 10:29 AM

we need Summer Camp Kidcare staff. Please send college ECE students our way 😊

From Debbie Banuelos to Everyone 10:31 AM

nora, thank you for the document

From Maria Castro to Everyone 10:33 AM

We are gearing up for May start day for MHS childcare---so we don't know yet how parents are going to react. But I'm pretty sure they're not going to be happy....

From Donna Cherie to Everyone 10:33 AM

From our Midtown Parent Handbook "Your child may return to school 24 hours after a fever has broken (and a fever reducer is not administered) or 24 hours after the last bout of vomiting, and a negative Covid rapid test".

From Debbie Banuelos to Everyone 10:33 AM

I am so short staff, and I am losing two more teachers due to the cost of living.

From Leticia Nolasco to Everyone 10:34 AM

Parents have the idea that if school children can't be in school they can attend day care and that's not the case!! So when they come to my home day care I tell them if they can't be in school they can't be in day care and that's an issue with some parents.

From Lisa Hirahara-Cabrillo College to Everyone 10:34 AM

If a child has a singular symptom and tests negative we follow our non-COVID health and wellness policy (child must be 24 hours symptom free after symptoms has stopped). If a child has two symptoms we follow our COVID policy even if the family presents a negative test result.

From Hilda Castillo to Everyone 10:43 AM

Quiero compartir nosotros seguimos las reglas de los Pogramas pero qué pasa con las especialistas cuando visitan y están enfermas y visitan una y otra proveedora y nos ponen en riesgo ⚠️

No Oscar

No tengo preguntas

From Leticia Nolasco to Me (Direct Message) 10:49 AM

Can you please send the link for this grant!

From Lisa Hirahara-Cabrillo College to Everyone 10:54 AM

So cute!!

I have to get going. Thanks for another great meeting. Take care

From Anne Striffler to Everyone 10:58 AM

I have only seen kindergarten teachers, with CA teaching credential, teaching a combo class.

Waivers would be great or a class or two to qualify. Thank you

From Leticia Nolasco to Everyone 11:06 AM

Thank you
