Irene, it is up to the childcare/preschool facility whether to require masking

From Linda Orosco to Everyone 10:36 AM

I am sure there are good intentions for this... but it seems very "Big Brother" and Authoritarian in nature... Just my opinion. Assigning Numbers that travel... scary

Is this a state program or county?

From Maria Castro to Everyone 10:44 AM

How will parents refer to this #? What do they call it in Spanish?

First 5 used to provide a Child Snapshot form that PS Teachers completed as well as parents of the students completed that provided great information and consistency for entrance into Kinder

We will have more Home Antigen Tests available

Please let Sita know if you need anything

Bye Everyone
