From Maria Fatima Castro to Everyone: 10:12 AM

Are we using YouTube and whatever media young people use to promote the vaccine? Are there local "influencers" that could help with publicity?

From Troylene Valenzuela to Everyone: 10:16 AM

From Sita Moon to Everyone: 10:21 AM

Is there some funding that's already approved, and other funding that is proposed but not certain yet?

From Amy Warren to Everyone: 10:21 AM

We are required to have a waiver on file for staff if they are opting out of the flu vaccine each year. Just wondering if this too is a HIPPA violation. Or is the difference the FDA approval?

From Lisa Hindman Holbert to Everyone: 10:26 AM

@Amy, that is a licensing requirement, so they would not be able to maintain employment with that on file.

No, athlete students are not getting tested.

From Lawrence Drury to Me: (Direct Message) 10:29 AM

Are we meeting with Migrant Head Start this morning? if so, what time are we scheduled for

From Nora Caruso to Everyone: 10:31 AM

Are high school and middle school athletic fields open to the public yet?

From pam cayton to Everyone: 10:33 AM

At this stage do you know if funding for preschools from the \$200billion also includes private family daycare and childcare centers?

From Maria Fatima Castro to Me: (Direct Message) 10:34 AM

If the Doctor gives a note saying a child doesn't have COVID (without testing) is that acceptable?

From Tricia Pastor-Cabrillo College to Everyone: 10:34 AM

Great news on funding, thank you for update.....however similar to the situation with TK...if the funds go to LEA's for onsite care, it could likely disseminate small funded independent programs and family child care.

It's essential that we advocate for the funds on teacher salaries to recruit and retain ECE Professionals.

From adina to Everyone: 10:34 AM

In his speech he said not Family Daycare

From Crissy Roubal to Everyone: 10:35 AM

I have a question on outside graduation

From Lisa Hindman Holbert to Everyone: 10:35 AM

YES....what Tricia said. LEA is school district

From Nora Caruso to Everyone: 10:35 AM

Yes, Tricia!!

From Lisa Hindman Holbert to Everyone: 10:35 AM

In my opinion, this is a threat to all of our sustenance.

From Maria Fatima Castro to Everyone: 10:36 AM

I listened to the speech and I don't recall a mention of family childcare.

From pam cayton to Everyone: 10:42 AM

Very true about salaries!

From Faris Sabbah (He/Him) to Everyone: 10:43 AM

From Maria Fatima Castro to Everyone: 10:44 AM

That's why we need to get involved early on so we are prepared and can advocate for what is best for our county.

WE are looking pretty full...

From Stephanie Simmons Coastal Community Preschool to Everyone: 10:47 AM

We are experiencing low waitlists for Head Start

From BBCP to Everyone: 10:48 AM

wait list and already full for the Fall

From Nora Caruso to Everyone: 10:48 AM

Lisa is it that fewer families qualify for state subsidized slots ?

From Lisa Patterson to Everyone: 10:48 AM

Baymonte is full with a waitlist but I need teachers

From Amy Warren to Everyone: 10:48 AM

We are currently full, and have openings for fall. However the waitlist is often MUCH longer. No waitlist, first time in 15 years.

From Karen Hamman to Everyone: 10:49 AM

Low waitlist at PVUSD with the exception of infants

From Maria Fatima Castro to Everyone: 10:49 AM

We're full for May--135 kids, so the farmworkers did return and apply.

From Crissy Roubal to Everyone: 10:49 AM

Good interest and getting close to full

From Kathy\_Lathrop to Everyone: 10:49 AM

This is true around the state too. The other Directors I talk with have reduced enrollment and wait lists too. I am hoping that CDE comes out with some type of \$\$ support for enrollment that lets us build back.

From Crissy Roubal to Everyone: 10:49 AM

What is considered full?

From Nora Caruso to Everyone: 10:49 AM

Still a very big waitlist for our center for 12-36 month olds.

From BBCP to Everyone: 10:51 AM

We are capping our enrollment below what our capacity is to be cautious into the Fall

From Lisa Patterson to Everyone: 10:51 AM

I am staying with 12 to one teacher or 14 with two teachers, not 16 or 18.

From Maria Fatima Castro to Everyone: 10:51 AM

Full to the family childcare capacity; 12 to 14.

From adina to Everyone: 10:52 AM

I am FD in SLV. I am finally reaching full, but the fire hurt me worse, because of the family's home loss and leaving area.

From Paulette Carney to Everyone: 10:53 AM

UCSC capping enrollment in preschool -we do have openings in our after school program. Our Toddler program is full at 12

From Crissy Roubal to Everyone: 10:53 AM

Thanks for the feedback!

From Paulette Carney to Everyone: 10:53 AM

UCSC is not providing infant care at this time

From Tricia Pastor-Cabrillo College to Everyone: 10:56 AM
