From Irene Aguirre to Everyone 10:24 AM

just to be clear ...sorry. the day parent is negative3-5 day for kid to test if kid if not wearing a mask then 10 days after parent is negative right??

From Nora Caruso (she/her) to Everyone 10:25 AM

What do you think about accepting home CUE tests?

From NBCC Karyn Schmidt to Everyone 10:25 AM

At this time, we are finishing the year continuing the masks. We will revisit for summer school

From Nora Caruso (she/her) to Everyone 10:25 AM

That makes sense

From Kristen to Everyone 10:25 AM

Just confirming. We still report a positive case to licensing and SPOT even if the child was not in school correct? We had one on vacation for 2.5 weeks and was not here at all during the period of time he would've exposed anyone here or tested positive

From Irene Aguirre to Everyone 10:27 AM

Thank you!!!
