

COE Child Care Briefing Meeting Chat 8.23.21

Good morning everyone

Yes I got it

Thank you

From Lawrence Drury to Everyone: 10:16 AM

Can we tape those training sessions for those that might miss the original ones?

From Me to Everyone: 10:20 AM

Yes, we will tape the training.

From Anne Striffler to Everyone: 10:24 AM

awesome on drive-thru testing at Cabrillo. Thank you!

From Nora Caruso (she/her) to Everyone: 10:24 AM

How reliable are the antigen tests vs. pcr?

From Lisa Hernandez to Everyone: 10:24 AM

Is this only the nose swab test?

From Linda Orosco to Everyone: 10:25 AM

Will there be a flyer to give to families about this testing site?

From Lisa Hirahara- Cabrillo College Children's Center to Everyone: 10:26 AM

Faros can you please confirm that the "quick" tests can't identify the new Delta variant?

Faris*

From Nora Caruso (she/her) to Everyone: 10:29 AM

Is anyone compiling data re: covid cases and/or outbreaks in childcare programs?

From Lisa Hirahara- Cabrillo College Children's Center to Everyone: 10:33 AM

Thank you for clarifying Faris!

From Amy Warren to Everyone: 10:34 AM

Thanks again Faris!

From Discovery to Everyone: 10:35 AM

Is our County currently a community with high transmission?

From Amy Warren to Everyone: 10:37 AM

Just to confirm with direct exposure and not being vaccinated, you no longer have to isolate as long as the rapid test is negative and no symptoms...?

From Maria's iPhone to Everyone: 10:37 AM

Could testing etc? public health write a simple letter for us to send to parents? Re quarantine

From PVCC to Everyone: 10:40 AM

Can I have a recording of this meeting? unfortunately I have to log off

From Maria's iPhone to Everyone: 10:41 AM

From Eva Rodriguez to Everyone: 10:42 AM

Porqué en el autobús de la escuela no practican el distanciamiento los niños se están sentado de hasta tres en un solo asiento?

From Maria's iPhone to Me: (Direct Message) 10:43 AM

Even if they're vaccinated?

From Nora Caruso (she/her) to Everyone: 10:46 AM

What kinds of school transmissions are you seeing?

From Anne Striffler to Everyone: 10:47 AM

Is the chart that Farris shared available to print out/where?

From Eva Rodriguez to Everyone: 10:47 AM

En el autobús de la escuela no todos los niños están usando el cubre bocas lo traen en la mano o en la barbilla eso es cuando bajan del autobús

From Discovery to Everyone: 10:47 AM

What is the best way to know if our county is an area of high transmission rates since we no longer have the tier system?

From Faris Sabbah (He/Him) to Everyone: 10:51 AM

From LWilliams to Everyone: 10:52 AM

I want to say THANK YOU to Faris and his staff for the amazing job they've been doing navigating this challenging time and keeping us all informed and up to date. Great job!

From Faris Sabbah (He/Him) to Everyone: 10:55 AM

Thanks @LWilliams!

From sharonrose to Everyone: 10:55 AM

Thank you!

From Nora Caruso (she/her) to Everyone: 10:55 AM

Thanks so much for your leadership

From Anne Striffler to Everyone: 10:56 AM

I had an elementary teacher tell me that if a child has the sniffles that they don't need anything....? They can stay in school?

From Faris Sabbah (He/Him) to Everyone: 10:58 AM

Next Steps:

Training for reporting to Public Health (SPOT)

Info for signing up for Testing at Cabrillo

More training at these meeting on responding to positive cases

Próximos pasos:

Capacitación para informar a Salud Pública (SPOT)

Información para inscribirse en Testing en Cabrillo

Más formación en estas reuniones sobre cómo responder a casos positivos

Return to School after illness

https://docs.google.com/drawings/d/1by-uP-ieZCLlf_XGbu-SoczpxBYQCCfBxUjta9YYIlg/edit?usp=sharing

From Kathryn Berens to Everyone: 10:58 AM

our colds are coming from elementary siblings

From Erendira Guerrero (She/Her/Ella) to Everyone: 11:00 AM

Thanks for all the information, see you next week.

From Tricia Pastor-Cabrillo College to Everyone: 11:00 AM

Essentially, we are ALL consistent with health screening practices, especially when we are “sharing” families with elementary and early care.....

From Faris Sabbah (He/Him) to Everyone: 11:01 AM
