

COE Child Care Briefing Meeting Chat 2.6.2023

Good morning

You to Everyone 10:00 AM

Good morning everyone!

Heather Thomsen, Santa Cruz COE to You (Direct Message) 10:02 AM

I don't think I have anything to present.

Heather Thomsen, Santa Cruz COE to Everyone 10:05 AM

Please refer here if you need information for Covid-19 vaccines:

<https://santacruzcoe.org/vaccines/>

iPad to Everyone 10:08 AM

Good Morning everyone.

Question! Does anyone know where I can get filter replacements? For the Air purifiers provided from CDRC! Thank you.

Heather Thomsen, Santa Cruz COE to Everyone 10:09 AM

For Covid-19 Testing please refer to: <https://covid19test.santacruzcoe.org/>

Place your order for Free At-Home Covid-19 Tests: <https://special.usps.com/testkits>

Sita Moon to Everyone 10:13 AM

Here is a link to the website and the air purifiers that CDRC purchased.

<https://www.winixamerica.com/product/5300-2/>

Megan Baroni to Everyone 10:14 AM

What about guidelines that we need to follow for COVID. Will CDPH still be what we follow

Heather Thomsen, Santa Cruz COE to Everyone 10:14 AM

There is a new telehealth provider named Sesame Care that is able to quickly assess and prescribe the Covid-19 treatments for free, at no charge. You can either call: 1-833-686-5051 or make a virtual appointment at www.sesamecare.com/covidca.

Here is the link for Sesame Care- for test to treat Covid-19:

<https://sesamecare.com/covidca>

Amy Fair to Everyone 10:16 AM

You mentioned two antigen tests to come back to school. Is there a certain amount of days between?

Megan Baroni to Everyone 10:16 AM

Thank you. Just wondering how policy will shift once the state of emergency is lifted.

Faris Sabbah (He/Him) to Everyone 10:21 AM

Hi Amy, for symptomatic students.... 2 Antigen tests with at least 24 hours in between each test

Amy Fair to Everyone 10:21 AM

Thanks Faris, so they would technically come back on day 7?

Heather Thomsen, Santa Cruz COE to Everyone 10:23 AM

Please refer to our 2022-2023 Covid-19 Guidelines:
<https://covid19guidance.santacruzcoe.org/> (page 13)

Amy Fair to Everyone 10:24 AM

Yep! That was what I was questioning. Two different scenarios. Got it!! Thank you!

Heather Thomsen, Santa Cruz COE to Everyone 10:24 AM

Children Diagnosed with COVID-19 Prompt management of children with COVID-19 can prevent further spread and, in some cases, allow for early treatment. 1.

Recommended Practices:

- Children diagnosed with COVID-19 should follow recommendations listed in Table 1 (Persons Who Test Positive for COVID-19) of CDPH's guidance for the general public, including staying home for at least 5 days and wearing a well-fitting mask unless exempted (see Using Facemasks section above) around others for a total of 10 days, especially in indoor settings. The following exceptions apply for child care attendees:

- Children under 2 years of age with COVID-19 infection may discontinue isolation after Day 5.

- Testing may be considered on Day 5 but is not necessary before discontinuation of isolation.

- Children 2 years of age and older with COVID-19 infection may discontinue isolation after Day 5.

- Testing is recommended at Day 5.

iPad to Everyone 10:27 AM

Thank you Sita.

Heather Thomsen, Santa Cruz COE to Everyone 10:29 AM

Please refer to the Table for Childcare Protocol for Covid-19 Symptoms, Positive Test or Exposure on page 28: <https://covid19guidance.santacruzcoe.org/>

Leticia Nolasco 10:47 AM

Thank you

Childhood Advisory Council Early Care, Education and After-School Care Master Plan meeting Monday, February 6th from 2:00 – 3:00 pm. Zoom link to join the meeting: Join Zoom Meeting:
