Our pediatrician at PAMF/Sutter Health told us as well as going to Inspire, pharmacy, etc. Parents are more likely to listen to their pediatrician than our recommendations.

From Natural Bridges Children's Center to Everyone 10:43 AM

Thank you! I have three teachers wanting to sign up for classes at Cabrillo.

From Maria Castro to Everyone 10:46 AM

They should show up in class this week-- even if not registered--and then complete the process. (So they don't cancel the class if it's low enrollment).

Thank you everyone! 🌸
