Some of my most influential people in my life were teachers.

From Lisa Hindman Holbert to Everyone: 09:32 AM

Debbie-are you the new Director?

Debbie-let's have lunch and chat. We can meet downtown. I'd love to connect.

From Gonzalez Lorena (She/Her) to Everyone: 09:36 AM

Do we have a new Analyst? I need to look this info up. I have been busy with staffing and have missed this detail.

From Lisa Hirahara- Cabrillo College Children's Center to Everyone: 09:36 AM

Lorena, yes Tricia just spoke with her but I can't remember her name.

From Larry Drury to Everyone: 09:46 AM

I may not be spelling her name correctly but I am thinking that our interim consultant from CDSS is Deborah Ralston. Jessica Kranz may know for sure

At Encompass we are having Racial Equity training this month. I have not been in training yet. We are having 3 training days to make it possible to have different groups attend within a specific number of people present to have these discussions.

From Lisa Hindman Holbert to Everyone: 09:56 AM

We had a full day agency closure in January and have had many conversations, AND there is always more work to do around privilege, bias, and isms.

From Maria Castro to Everyone: 09:58 AM

On the other hand, this has been a topic for several years--I'd like to see more action, more changes to address inequities. If not now, when?

From Lisa Hindman Holbert to Everyone: 10:13 AM

Performance evaluations and cultural competence models would also be great to discuss collectively.

Mel—state approval as distance learning is not allowed

From msluggett to Everyone: 10:14 AM

I was wondering if anyone has a packet ready to go in case you have to close...that is our plan...we just haven't made it yet..

From Lisa Hirahara- Cabrillo College Children's Center to Everyone: 10:15 AM

Tricia and I sifted the MB with a fine tooth comb about DL, and the MB stated that programs have to be physically open...is that what you all read too?

From Lisa Hindman Holbert to Everyone: 10:15 AM

Yes...Lisa, that's true/

From Lisa Hirahara- Cabrillo College Children's Center to Everyone: 10:16 AM

Thanks Lisa. I was wondering how Leticia is able to claim DL children?

From msluggett to Everyone: 10:16 AM

Yes that's what I thought too...I think what Leticia is doing is just to engage the students daily while they are gone...but you wouldn't claim that day of attendance...it would be excused...correct?

From Lisa Hindman Holbert to Everyone: 10:19 AM

Not for 21.22

yes

From Gonzalez Lorena (She/Her) to Everyone: 10:22 AM

Encompass is only doing in person services.

From Lisa Hindman Holbert to Everyone: 10:22 AM

But what about your audit?

From msluggett to Everyone: 10:24 AM

So if students are temporarily excluded, how are they reporting that? (excused....do you have a certain code?)

We are only doing in person services...I am just wondering if we have to close because of exposure.

From Lisa Hirahara- Cabrillo College Children's Center to Everyone: 10:25 AM

Melanie, I would think that would be a FE claim

From msluggett to Everyone: 10:31 AM

Thanks Lisa

From Debbie Banuelos to Everyone: 10:31 AM

From Gonzalez Lorena (She/Her) to Everyone: 10:56 AM

I will need to jump off very shortly for another meeting.

From Lisa Hindman Holbert to Everyone: 11:03 AM

Local jurisdictions call that story behind the data.

From Gonzalez Lorena (She/Her) to Everyone: 11:05 AM

From Lisa Hindman Holbert to Everyone: 11:08 AM

It means 8:32

From Maria Castro to Everyone: 11:08 AM

If there was a video that showed all that we are implementing to keep the children safe....might reassure parents.

From Lisa Hindman Holbert to Everyone: 11:08 AM

Those are numbers of children served:capacity

And because those of us that are held harmless, we have that option. Private centers we don't
