	<ul> <li>Component # 1: Increase the income threshold for initial eligibility for subsidized care. Current income estimates are below the census threshold All members agree with this component.</li> </ul>	

Facilitator: Diane Munoz (Childhood Advisory Council Coordinator)

	except for training or seeking employment.
Г	All members agree with this component. viscussion:
	Elaine – if parents are not reporting changes,
•	we're locking up scarce slots. It takes a long time
	to hear from parents who have stopped needing
	care. So they're receiving care, while other families
	are waiting for care.
•	There are three contract types: CSPP, CCTR and
	Vouchers
•	Voucher - is a needs based care not 24 months.
•	CCTR – mostly agree to 24 months, but Kathy
	thinks
•	Jessica – it shouldn't matter you can track the
	participation through the attendance sheets. It's
	all about serving families.
•	Karen it's about the families that really need full
	time full day care need data and anecdotal
	information.
