TOTAL SANTA CRUZ COUNTY		22,699	827	3,041	6,202	10,070	12,629	55.6%

(1) Estimates of children eligible for State Subsidy (85% of State Median Income) from ELNAT, year 2020 (most current available).

(2) Defined as children 0 to 35 months old for this table.

(3) Defined as children 3 to 5 year old for this table.

(4) Defined as children 6 to 12 year old for this table.

(5) This includes spaces in CCTR, CSSP, CalWORKs Stages 1,2 & 3, APP, CMIG, Head Start, Early Headstart, Migrant Headstart, ASES, ELO-P, Transitional Kindergarten, 21st Century.

(6) AIR uses 60.9% of the children in zip code 95033 to adjust for the portion of the zip code that extends beyond the County boundary.

(7) AIR uses 81.6% of the children in zip code 95076 to adjust for the portion of the zip code that extends beyond the County boundary.

Data for Zip Code 95077 is included in 95076. For percentage of children not served, 0% means there are more spaces than demand.

NOTES:

Estimates of children eligible for State Subsidy (85% of State Median Income) from ELNAT, year 2020 (most current available).

School Age is 6 to 12-year-olds.

Supply of subsidized spaces is based on currently funded spaces as of March 2023.

For percentage of children not served, 0% means there are more spaces than demand.

See Endnotes for program descriptions and definitions of priorities.

ELOP: Expanded Learning Opportunities Program	
Migrant/seasonal Head Start – full day, part year, May – October	
Priorities Definitions	
Zip Code Priorities are used to identify local funding priority areas for child care services for General Child Care and Development Programs (CCTR) School Age for new state and federal funds.	
	A zip code qualifies as Priority 1 when there are more than 40% or more eligible children underserved and there are more than 200 children underserved.
	A zip code qualifies as Priority 2 when there are more than 40% or more eligible children underserved and there are more than 100 children underserved.
	A zip code qualifies as Priority 3 when there are more than 25% or more eligible children underserved and there are more than 50 children underserved.
Zip Code Priorities are used to identify local funding priority areas for child care services for General Child Care and Development Programs (CCTR) Infants/Toddlers for new state and federal funds.	
	A zip code qualifies as Priority 1 when there are more than 40% or more eligible children underserved and there are more than 150 children underserved.
	A zip code qualifies as Priority 2 when there are more than 40% or more eligible children underserved and there are more than 75 children underserved.
	A zip code qualifies as Priority 3 when there are more than 25% or more eligible children underserved and there are more than 50 children underserved.
Zip Code Priorities are used to identify local funding priority areas for child care services for California State Preschool Programs (CSPP) for new state and federal funds.	
	A zip code qualifies as Priority 1 when there are more than 40% or more eligible children underserved and there are more than 150 children underserved.
	A zip code qualifies as Priority 2 when there are more than 40% or more eligible children underserved and there are more than 75 children underserved.
	A zip code qualifies as Priority 3 when there are more than 25% or more eligible children underserved and there are more than 50 children underserved.
Counties have the option to designate a priority level based on their local knowledge if it is different than what the formula dictates, as has been done here in Santa Cruz County for this report.	
Other Misc. Notes	
Zip Code 95077 data is included in 95076; there are 3 children receiving subsidized care reported in 95077.	
Zip Code 95041 Mount Hermon was not included in the 2018 analysis; it may be a new zip code.
