CCPC Committee Report February 2016

ECE Conference Committee:

The 2016 Central Coast Early Care and Education Conference committee had its first planning meeting, Wednesday, January 20, 2016. The conference will be held on Saturday October 8th, 2016, at Cabrillo College. Members welcomed Yvette Brooks (SCCOE/SELPA) to the committee.

Subsidized Programs Consortium Committee:

The Subsidized Programs Consortium Committee continues to focus on new funding issues and legislation that will impact their programs. Consortium members agreed on four topics that would improve the current child care system: increase the standardized reimbursement rate (SRR), update the family income eligibility matrix, access to affordable facilities and/or funding to renovate existing facilities, and more infant/toddler care for working families.
